

“Fat City” is American slang for a city with a lot to offer. The First Friday of each month downtown Williamsport will become a “Ffat City”(First Friday/Art Town).

What do we have to offer: music, dance, film, art and theater. Join us, for Williamsport is North Central PA’s city of the arts. We need musicians, artists, crafters and street performers (magicians, jugglers, mimes etc.) to take part in street festivals that celebrate the arts. To participate contact the Main Street Committee at 245 West Fourth Street Williamsport, PA 17701 or call Judy Olinsky at Marketing Associates 323-1500.

Come downtown, as we become a city of music, art and dance.
